

Admission and Booking

Question: Do you offer a discounted admission rate for schools?

Answer: We are pleased to provide school groups with a discounted admission rate.

School Group Admission Rates

Students (K -12) \$12

Chaperones \$6

Admission fees are waived for support persons accompanying students with disabilities who require one-to-one support for health and/or safety reasons. Support persons should not be included as a chaperone, as their attention is focused on an individual student. Please use the comments section to indicate the number of support persons attending the field trip for admission purposes only.

One teacher/chaperone receives free admission per 15 students. All additional chaperones pay the discounted chaperone admission fee of \$6.

HST is included in the ticket price. A \$7 administration fee is charged for each group registration. This fee supports the operations of The Royal Agricultural Winter Fair, including our educational initiatives to provide agricultural education.

General Questions

Question: Where do school groups enter?

Answer: School groups must enter through the school group entrance at Hall C of Direct Energy Center. The school bus drop off is directly outside the hall, and the closest TTC stop is Strachan Avenue (along the 509 or 510 streetcar routes).

Question: Can children leave their bags/coats somewhere?

Answer: Unfortunately we do not have a space for children to leave their bags. Students are required to carry all their belongings with them for the whole day.

Question: What should we do for lunch?

Answer: School groups are welcome to eat their own packed lunch, or purchase food at The Royal Food Court. Some recommended areas to sit down and eat include: Ricoh Coliseum or the Ring of Excellence where students can watch the horse or cow competitions occurring. An alternative option for schools to sit and eat lunch is the Galleria, outside of Hall C, where children can spread out and sit on the floor. We do not want students blocking the aisles inside the fair.
